

Terms of use

Terms of use for Communication and identity services offered to users, contractors and affiliates

Last updated: May 14th, 2025.

By accessing and using this service, you agree to the following terms on behalf of Meren Energy Inc. ("the Company"):

1. **Authorized Use:**
Access to Microsoft 365 and its applications is restricted to authorized employees, contractors, and affiliates. All use must comply with internal policies and applicable data protection laws.
2. **Acceptable Conduct:**
Users must not share login credentials or access data beyond their role. Activities such as unauthorized data extraction, use of unapproved applications, or tampering with security configurations are prohibited.
3. **Intellectual Property:**
All content, logos, and branding are the intellectual property of the Company or its licensors. Use of any content for commercial or external purposes without permission is strictly forbidden.
4. **Compliance & Monitoring:**
The Company monitors activity to ensure security and compliance. Users may be subjected to disciplinary or legal action for misuse.
5. **Termination of Access:**
Access rights may be suspended or revoked at any time due to role changes, policy breaches, or at the discretion of IT security.
